Haven Focus

Every workspace needs quiet space.

Need a little more space, where you can sit and work for a longer period without the distraction? Haven Focus is your go-to space for focused work. Step inside, block out the noise, and enjoy an enhanced level of concentration that boosts your productivity. Whether you're working remotely or just need a quiet spot, this individual compact unit with a desk is your destination for distraction-free work.

Glass

Dual-pane laminated tempered acoustic sound control glass with a 5mm+5mm thickness. Optional switch glass for added privacy (indent only).

Body

45mm thickness - multi-layer sound insulation material encased between galvanised steel plates.

Interior Surface

12mm environmental-friendly flame-retardant sound absorbing recycled PET panel.

Carpet

Environmentally friendly nylon carpet that is wear-resistant, flame-retardant, waterproof, anti-slip & anti-fouling.

Motion Sensor

Smart sensor activates lighting and fans, helping you stay energy efficient. Power consumption when in use 29W.

LED Lighting

Overhead built-in LED 4000K smart sensor lighting. Complies with CE Certificate.

Ventilation

Smart sensor-based ventilation system. During occupancy, the air is refreshed every 3 minutes, and when unoccupied, the system runs for 15 minutes every half an hour to uphold the level of freshness.

Fan

Safe, low voltage, ultra quiet, large air volume fan. Fan speed: 750rpm, Air Volume: 90CFM.

Sound Insulation

Engineered to reduce noise by 30dB. SGS environmental certification.

Power Outlets

Each pod is equipped with a USB Type B and C ports for charging your phone, along with two 10A 250V AC power outlets for plugging in your laptop.

Power Supply

Standard 250V three-pin plug that plugs straight into a wall socket (no hardwiring required) with 1.8m length power cord.

Feet/Castors

Designed with concealed casters for easy relocation and moveability, along with leveling feet to accommodate uneven surfaces.

Built-in Table

E1 Grade density board with a 30mm thickness and beveled edges, laminated in white.

Installation

Modular installation - No glue or nailing involved during the installation. Installation must be carried out by our accredited pod installers.
