## Haven Studio

Every workspace needs quiet space.

Making structural alterations can often be expensive and time consuming, Haven Studio is a perfect room-in-room solution for establishing a quiet space in an active open office environment. Its generous size allows for versatile utilisation, whether you require a brief team huddle, a creative brainstorming session, or a professional client presentation space.

**Glass**

Dual-pane laminated tempered acoustic sound control glass with a 5mm+5mm thickness.

**Body**

45mm thickness - multi-layer sound insulation material encased between galvanised steel plates.

**Interior Surface**

12mm environmental-friendly flame-retardant sound absorbing recycled PET panel.

**Carpet**

Environmentally friendly nylon carpet that is wear-resistant, flame-retardant, waterproof, anti-slip & anti-fouling.

**Motion Sensor**

Smart sensor activates lighting and fans, helping you stay energy efficient. Power consumption when in use 29W.

**LED Lighting**

Overhead built-in LED 4000K smart sensor lighting. Complies with CE Certificate.

**Ventilation**

Smart sensor-based ventilation system. During occupancy, the air is refreshed every 3 minutes, and when unoccupied, the system runs for 15 minutes every half an hour to uphold the level of freshness.

**Fan**

Safe, low voltage, ultra quiet, large air volume fan. Fan speed: 750rpm, Air Volume: 90CFM.

**Sound Insulation**

Engineered to reduce noise by 30dB. SGS environmental certification.

**Power Outlets**

Each pod is equipped with a USB Type B and C ports for charging your phone, along with two 10A 250V AC power outlets for plugging in your laptop.

**Power Supply**

Standard 250V three-pin plug that plugs straight into a wall socket (no hardwiring required) with 1.8m length power cord.

**Feet/Castors**

Designed with concealed casters for easy relocation and moveability, along with leveling feet to accommodate uneven surfaces.

**Installation**

Modular installation - No glue or nailing involved during the installation. Installation must be carried out by our accredited pod installers.
